**Life**

In life, I do good things, or bad,  
And I'm most happy, or most sad.  
But the worst thing that I could do,  
Is disappointing all of you.

T'is faith in love I mostly cherish,  
'Cause without love, my soul would perish,  
It's worth to love the ones who treasure  
The Word of God with greatest pleasure.

Who treasures love, and those who care,  
Will certain find the perfect pair.  
Who has a loving soul, my friend,  
Will be most loved, until the end.
